# FIREFALL™ 15-45x60

The Yukon **Firefall™ 15-45x60** is ready to turn up the heat! No other spotting scope can match its sleek, easy-to-use design or it's hotter than hot features. Available in either straight or angled eyepiece models, the Firefall's heavy-duty durable body protects its multicoated glass optics from jostles and bumps while on the trail or in your own backyard. The removable objective sunshade even keeps you from getting burned by protecting your eyes from the sun and keeping potential glare out of your field of vision. With the Firefall's improved accurate, adjustable tactical tripod, fine adjustments are quick and easy to make no matter where you are. A sturdy, larger base and swivel precision knobs adapt the Firefall perfectly to any place or situation; it's perfect for range or target shooting, nature observation, hunting, you name it! The Firefall's included accessories are an inferno of savings; well over a $100 value! Add that to Yukon's Limited Lifetime Warranty and you will be ready to set the trail ablaze with a Firefall!
